Attendance: 78, Weather Conditions: Saturday: Fine and Sunny with moderate Winds.
Sunday: Cloudy, Hot, Gusty Winds.

Annual Two-Day Shoot 23rd and 24th November, 2019 was very well attended with several shoot-offs to determine winners in all grades. Some hotly contested events with excellent shooting and grade changes and meterage changes.

Thanks to all who assisted and special mention to Brett Graving and Candy Cross in the office getting into shoot offs and thanks to our sponsors Curragh Coronado of over 36 years tradition with every change of owners in the business. Over 20 clubs were represented at this shoot and visiting shooters travelled long distances to come. We thank you all for making it a very good two day shoot and look forward to your company next year.
