

Blackwater Annual Results November 2017

Visitors enjoyed a great shoot and spectators watched numerous shoot-offs over the events. The cash handicap sponsored by Curragh Qld Mining was hotly contested and won by Cameron Mitchell who has only been shooting for twelve months. The Coalfields 100 event which has been shot now for 34 years and was the first 100 target event shot around our area was won after a good shoot off by Clermont shooter Andrew Skinner. Thank you to all our travellers, helpers and sponsors. We were all well fed and watered and the kebabs were a big hit again with all. Thanks to Kitchen, Bar, Trappers, Referees Scorers and Shoot Marshall Ken Busteed who did an excellent job.
